

# Is Your Library The Information Hub You Want It To Be?

Libraries around Texas are making it easy for residents, businesses, and visitors to find and engage in local events and services with a mobile app and interactive kiosks throughout their city.

Join these cities on their journey to modernizing communication and elevating citizen engagement.

Ask about  
your own  
branded app!

## Engage Your Citizens

# A New Way to Connect and Engage

### Calendars

Show your citizens what's happening in their town, and in their library - at their fingertips.

### Notifications & Alerts

Display community updates and emergency notifications in real time.

### Tickets

Offer free or paid tickets to local events or library activities, and track RSVPs and check-ins.

### Custom Branded App

Create your own branded app for your library or city. Your citizens are waiting.

### Update From Anywhere

Keep information up-to-date by easily making changes from your browser or mobile device.
